PREVUMO pitch: rehearsal sheet

GNG4120 GA3, Group 10, Oct 23, 2026. Eight minutes for slides 1 to 11, at about 130 words a minute. The full word for word script is in each slide's speaker notes.

Speaker	Slides	Time	First sentence	Hand-off line
A [name]	1 to 4 Title, hook, pain, customer and value	0:00 to 2:15	“Picture the welder in your school's makerspace.”	“B, so how do we actually see inside the machine?” B answers: “Let me show you.”
B [name]	5 and 6 How it works, prototype video	2:15 to 4:15	“It starts with a small box on each machine's power line: a keypad, a current sensor and a relay, run by an ESP32 with Wi-Fi.”	“C, who else is going to want this?” C answers: “Let's talk about the market.”
C [name]	7 and 8 Market, competition	4:15 to 5:45	“Let's size our first markets.”	“D, so how does this make money?” D answers: “Here's our model.”
D [name]	9 Business model, Plan A to Plan B	5:45 to 6:45	“Our business model changed, and the interviews are why.”	“E, what have we learned so far?” E answers: “More than we expected.”
E [name]	10 and 11 Progress and validation, closing	6:45 to 8:00	“Here's where we are.”	“Thank you. We'd love your questions.” Q&A starts at 8:00.

Slide 6: click the video to start it (67 s, no sound) and narrate on the cues in brackets. **Clicker:** each speaker clicks to the next slide on the last words of their part. **Q&A:** slides 12 to 16 are the appendix, with full answers in the notes of slide 15.
